

Lab 1.1

Create a document that explains how you access and why you would use the following utilities:

1. Task Manager
2. Computer Management
 - Device Manager
 - Event Viewer
 - Services
3. Performance Monitor
4. Reliability Monitor
5. System Information (Msinfo32)
6. System Configuration Utility (Msconfig)

Save the document as a .pdf named *LastName_Firstinitial_Lab1_1.pdf* and upload to this dropbox.
